

Philips Avent Scientific Symposium

Poster guidelines

- Posters will be printed on an A1 paper by the organization (59.4 x 84.1 cm / 23.4 x 33.1 inch).
- The poster should have a portrait orientation.
- Only posters shared as pdf document can get accepted.
- Submission of a poster acknowledges your acceptance for the poster to be published in all meeting material.
- The author's names (first name, surname) and affiliation (institution, city, country) should be given.
- Posters must be submitted in English.
- Posters should clearly state:
 - Introduction (Objective and hypothesis)
 - Methods
 - Results
 - Conclusions
- Use only standard abbreviations. Place special or unusual abbreviations in parentheses after the full word appears the first time.
- Text should be readable from a distance, use for example double-spaced, font size 18-point Calibri.
- Please consider the quality of your graphs and/or images to be high enough to be printed on an A1 size paper (59.4 x 84.1 cm / 23.4 x 33.1 inch).
- Include acknowledgements and a conflict of interest disclosure statement. These must be indicated at the bottom of the abstract. A conflict of interest exists if authors or their institutions have financial or personal relationships with other people or organizations that could inappropriately influence (bias) their actions. Significant conflicts of interest include financial benefits, subsidies or support for research, employment, a consultancy contract, large shareholdings or work in a public relations department.
- To submit your poster, please send it to info@philipsavent-symposium.com with as subject "Poster submission"
